JUNE 2023

A monthly publication of Bourbon Heights Nursing Home, Inc. for the benefit of residents, their families, the staff and the community.

Employee of the Month: Shelby Fryman

Shelby started in 2020 as a Dietary Aide in the Kitchen. While working in the Kitchen, she had decided to become an SRNA. She enrolled in the State Registered Nurse Aide class through BCTC and completed the course. She then began working as a SRNA here at Bourbon Heights. Shelby's co-workers describe her as "caring." "She works so hard to take care of her residents and lends a helping hand to co-workers. She treats all of her residents like family." Her favorite things about working at BHI are her love for the residents, co-workers and the responsibility to her 5 children. Outside of work, Shelby enjoys spending time with her kids doing meaningful activities. Her two favorite quotes are Carpe Diem meaning seize the day and que sera sera meaning what will be will be.

Congratulations Shelby!
